*Message from the President*

Spring has finally arrived. After a very cold winter, warm weather has finally arrived!

Just as a quick reminder, our Awards of Excellence Dinner is on Thursday May 2, 2019 at the Bala Golf Club. Our unit will be celebrating various individuals and organizations that have made outstanding contributions to the Jewish Community and the Educational Environment. The Executive Board has planned a wonderful evening celebrating our honorees, food, dancing, and friendship. As always, we are asking for support through our annual Ad Book. All the information can be found at our web site. If you have any questions, feel free to contact us. The success of all our events is critical and relies on membership support and attendance.

Scholarship Applications are due by Thursday April 4, 2019 to Zena Sacks at Zena [1207@yahoo.com](mailto:1207@yahoo.com) or mailed directly to her home at:

43 North Green Acre Drive - Cherry Hill, N.J. 08003

I am happy to report that this year our membership has grown. Please accept a warm welcome to our new members and to several members who have recently renewed their membership.

Passover is quickly approaching and Project H.O.P.E. is so important to our community.

On April 14, 2018 more than 400 community members came together at Temple Sinai in Dresher, PA to pack and distribute Passover food packages to poor and elderly Jews. This translates to over 600 cases of food that was packed and delivered. For recipients living alone, these food deliveries also provided a welcome bit of company. This sometimes can be as important as the food itself. More than 700 families received Passover food. Thank you to Educators' Unit members who participated and/or contributed in order to pay for the food.
